**Detailed Action**

1. Claims 1-32 and 34-38 are presented for examination. This office action is in response to the amendment filed on 10/11/07.

**REASONS for ALLOWANCE**

2. The following is an Examiner's statement of reasons for the indication of allowable subject matter: renumbered claims 1-37 are allowable over the prior art of record because the arguments set forth in the amendment filed on 10/11/07 are persuasive. The claims are allowable over the prior art of record because the claims are distinguished from the prior art of record for the reasons as set forth in the amendment filed on 10/11/07 and because an update of a search previously made does not detect the combined claimed elements as set forth in the claims 1-37. Also the reasons for allowance of the claims over the prior art of record is believed to be clear from the prosecution records taken as a whole. Therefore, claims 1-37 are allowable over the prior art of records.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons For Allowance."
